Mr. Henry Stelson Nickell
County Engineer's Office

RE: Nickell Estate.

Dear Henry:

You are advised that we won our case in the Supreme Court. Justice Corn wrote the opinion and the same was concurred in by four of the Justices, and the other four Justices concurred in the result, therefore, the plaintiffs do not have the remotest chance getting a re-hearing. I am of the opinion that we can begin closing up this estate at such time as you are ready. The next time you are over, we will discuss the matter further.

Yours very truly,

Dale B. Sutton
